Dear Sirs,

I would like to invite you to participate in a trade mission to Poland of Belgian companies belonging to the food sector. This mission will take place **on 19 April 2016 at the International Exhibition World Food in Warsaw.**

The aim of the mission is to establish cooperation contacts between Belgian and Polish enterprises.

We particularly invite **distributors, buyers, representatives of the purchasing departments of food products, purchasers in the HoReCa-branch and executives of food retail chains** to take part in our trade mission.

In participating you will have the opportunity to meet in one place new suppliers from Belgium, who enter the Polish market, and to enrich your offer with new products.

Participation in the B2B meetings is free of charge, only prior registration is required.

I invite you to read the brochure in attachment, which contains a description of the companies and their products. Please select the companies you would like to meet. Thank you for indicating your choice in the attached application form.

We will be grateful if you could return the completed form no later than April 1, so that we can arrange your meeting schedule in an optimal and efficient way. The B2B meetings will take place from 10 a.m. to 4 p.m.
